TRAC2 4.2.5

4.2.5 - The repository shall have access to necessary tools and resources to provide authoritative Representation Information for all of the digital objects it contains.

Introduction

SP gathers all file format information for each file using authoritative and trusted tools. This information includes details about the file format, including a link to format registry. Please see 4.2.5.1, 4.2.5.2, 4.2.5.3, and 4.2.5.4 for details.

Responsibility

Digital Preservation Policy Librarian
