

Scholars Portal Dataverse is now Borealis, the Canadian Dataverse Repository / le dépôt Dataverse canadien

borealis The Canadian Dataverse Repository
Le dépôt Dataverse canadien

**Store, share, publish and
discover research data!**

borealisdata.ca

SHARING YOUR DATA IS EASY.

Deposit your data into your institutional collection.

**Borealis supports open
discovery, management,
sharing, and preservation
of Canadian research data.**

WHY DEPOSIT DATA IN BOREALIS?

- **Secure, Canadian storage** for your data
- **Persistent identifiers** make it easy to cite datasets
- **Long-term access** and **preservation** of your data
- **Control access** to your data and customize terms of use
- **Increase visibility** through national and international discovery tools (e.g., Google Dataset Search)
- **Visualization tools** let you preview and explore data in your browser
- Get **local support** from your library or research organization
