Discussion items

Time	Item	Who	Notes
	Introductions	Bridget Whittle	
	Copyright Act	Jessica Whyte	<p>The Copyright Act is now up for review and I think we should talk about organizing any letters or responses (e.g. coordinating examples of digital locks inhibiting our work)</p> <p>Background Information for discussion goo.gl/ys9D7k</p> <p>Key area of interest to us: there is no legal exemption for digital locks. This is a change from how analogue material is dealt with and as a community we might want to bring that to the attention of the review board, others participating in the review, etc.</p> <p>Anyone interested is welcome to participate in the google doc.</p>
	Dataverse update	Amber Leahey Meghan Goodchild	<p>Usage Statistics (Oct 2014 - Oct 2017)</p> <ul style="list-style-type: none">- Downloads by Dataverse, monthly (including summary by Institutional Dataverse)- Downloads by Dataset, monthly- File size & type- Subject coverage- User accounts <p>Links: SP Dataverse Usage Report Excel spreadsheet</p>
	CANARIE community call response	Stephen Marks	<p>Do we want to respond to the CANARIE community call for consultation around an RDM focused funding stream?</p> <p>https://www.canarie.ca/rdm/community-consultation/</p> <p>General interest in a community response and to share it with stakeholders at local institutions.</p> <p>Deadline for submissions is February 15th 2018, 4:00 pm ET</p> <p>Comments: we should, but I'm not sure we have capacity within the community.</p> <p>York and ODC would be willing to circulate for interest and would contribute to a draft.</p>
	Additional discussion	Dan Scott	<p>On the subject of web archiving, a reminder about the CFP for the "Web Data at Scale with the Archives Unleashed Toolkit: Web Archive Datathon" (Robarts Library, University of Toronto, 26-27 April 2018 http://archivesunleashed.org/toronto/)</p>

	Grant Hurley	OCUL is looking into organizing a Digital Preservation Management workshop in conjunction with COPPUL. Is there interest in one that COPPUL is hosting in Calgary in June, or a future one in Ontario. Please let Grant know if you or members of your organisation would be interested.
	Stephen Marks	UofT/Scholars Portal are also looking at having a workshop for the Portland Common Data Model. And would like to know if members are interested.
	Kaitlin Newson	Code4Lib North will be happening May 10-11 at OCAD. For more information, see the Code4Lib wiki (https://wiki.code4lib.org/North), or contact Kaitlin. Registration will open next month.
