Permafrost

Welcome to the Permafrost hosted preservation pilot project wiki! Interested in the service? Head to permafrost.scholarsportal.info

You can also find our guide *Handling Digital Archives Before Ingest* at learn.scholarsportal.info

This wiki gathers together project documentation and provides a space for participants to view and collaborate on project documents. It also provides a toolbox of readings and resources related to digital preservation policies, practices and tools.

Interested in participating? Contact permafrost@scholarsportal.info
