

# Permafrost Home

# Permafrost

Welcome to the Permafrost hosted preservation service wiki! Interested in knowing more about the service? Head to [permafrost.scholarsportal.info](http://permafrost.scholarsportal.info)

You can also find our guide *Handling Digital Archives Before Ingest* at [learn.scholarsportal.info](http://learn.scholarsportal.info)

This wiki gathers together documentation and provides a space for participants to access and collaborate on the service. It also provides a toolbox of readings and resources related to digital preservation policies, practices and tools.

Interested in participating? Contact [permafrost@scholarsportal.info](mailto:permafrost@scholarsportal.info)

## Participating institutions:

Algoma University  
Brock University  
Carleton University  
Lakehead University  
Queen's University  
University of Ottawa  
University of Toronto  
University of Waterloo  
University of Windsor  
Western University  
Wilfrid Laurier University
