

TRAC2 3.5.1.4

3.5.1.4 - The repository shall have policies in place to address liability and challenges to ownership /rights.

Introduction

In order to minimize potential liability and challenges to rights, SP's operations adhere to all relevant laws and regulations. Furthermore, SP and OCUL negotiate licenses with Providers that clearly specify all rights related to the repository's preservation activities. When necessary, SP and OCUL seek legal counsel for matters related to contracts and regulatory compliance.
