

New Features in 7.4 - Request Search

Standard search screen is simplified and searches both borrowing and lending requests. Also note the new combined **Title / Author Keyword** search which removes the need for the % operator.

ILL Request Search

- ☒ ILL numbers (ILL no, Local Request Number)
- ☐ Item Number
- ☐ ISBN / ISSN
- ☐ Title / Author Keyword
- ☐ Patron Barcode
- ☐ Patron Name
- ☐ Request Due Date
- ☐ Borrower Code

[Reset Form](#)

Advanced search screen has improved options for including or excluding Completed requests:

- ☒ Do not include Completed requests
- ☐ Include Completed requests
- ☐ Completed requests only

Search results can be sorted using drop-down options at the top of the results page:

Results for: Borrower - Pending
